Copyediting
because editing matters

Make the case for an Organization Subscription to your leadership team!

You struggle with ...	Copyediting's Organization Subscription offers ...
Team members being at different levels of experience—including new hires who need to get up to speed	Discounts on customized training, delivered via webinar or in person; access to recorded classes library
Tight deadlines	Consulting and customized training on efficiency tools, like macros, PerfectIt, software dictionaries and shortcuts, and other resources
Consistency across publications	Creation of and consulting and training on house style
Not enough time to keep up with language and technical changes	Continual information from our bimonthly and weekly newsletters, delivered directly to your team
Little time and less budget for training	Access to our library of recorded classes on specific, industry-relevant topics— 4 free classes (a value of \$316!); 50% off per person for seats in our monthly and quarterly webinars

An Organization Subscription to Copyediting

- provides affordable, continual support for a team of editors
- offers a variety of training delivery options with significant discounts
- delivers relevant language and technical news on a regular basis (bimonthly and weekly)
- can work with you to customize training for your specific needs

The Organization Subscription can pay for itself over the year, making the \$599 investment a good business decision!
